#### Description:

Anthony Heald gives an uncommonly compelling performance narrating this fast-paced legal thriller. The action begins with the fierce assassinations of two Supreme Court justices. Too unlikely to be coincidental, the murders have no identifiable connection until a young law student uncovers a hidden link, exposing herself and those around her to deadly consequences. Heald uses the flexibility of his voice to conjure up a large cast of diverse characters. He crafts his delivery expertly, heightening the already substantial suspense and carrying the story to its dramatic conclusion. (Running time: 6 hours, 4 cassettes) --*George Laney* --This text refers to an out of print or unavailable edition of this title.

**From Publishers Weekly** In this tale of the aftermath of the assassinations of two Supreme Court justices, Grisham delivers a suspenseful plot at a breakneck pace, although his characters are stereotypes. The hardcover was on the PW bestseller list

48 weeks and the mass market was No. 1 last week.
