## Description:

**From Publishers Weekly** Currently seen as waitress Olive Snook in ABC's *Pushing Daisies*, the Tony Award-winning singer-actress Chenoweth looks back at her multifaceted career, which has encompassed recordings (*As I Am*), films (*Four Christmases*), television (*The West Wing*), Broadway (*Wicked*), solo concerts, animation (*Tinker Bell*), opera and Opryland. Beginning with the intriguing speculation that her unknown birth mother could be watching her career rise, she recalls her Oklahoma childhood and vocal training when she learned "[t]he music didn't come from notes and lyrics; it came from life and mileage." Personal revelations, such as her experiences with Ménière's disease, are balanced with bubbling backstage anecdotes.

A chapter about her on-and-off relationship with writer-producer Aaron Sorkin includes a section written by Sorkin himself. With digressions, detours and words like "whack-a-noodle," the book is busy with show-biz flip quips and writing reminiscent of Julia Phillips's *You'll Never Eat Lunch in This Town Again* (minus the drugs and invective). Chenoweth has a frenzied, free-associative style; it's as if she's speaking breathlessly into a tape recorder between sitcom scenes. To use her phrase, this book is "a hoot and a holler"—a fast-paced frolic that her fans will appreciate. (*Apr. 14*)
